# A range of subjects

Are you looking for work-based training for yourself or your employees? DABD Training offers many accredited courses covering a wide range of subjects. Courses are available to both individuals and organisations and can be tailored to your particular training needs.

Courses are delivered by highly qualified, experienced trainers and based around the following areas:

## Transport

Minibus Driver Awareness Scheme (MiDAS) accessible minibus training and Passenger Assistant Training Scheme (PATS).

## Health & Social Care

Moving & Handling, Infection Control, Safeguarding Vulnerable Groups, Health & Safety, Emergency First Aid and many other courses including common induction standards for social care staff.

Many courses can be used as modules towards NVQ Health & Social Care Levels 2 and 3.

## Welfare Benefits

Welfare Benefits overview, Disability Living Allowance & Attendance Allowance, Employment Support Allowance and more.

## Our Venues

Most courses are held at our training rooms at Dagenham & Redbridge Football Club – just a short walk from Dagenham East station and with ample car parking, or alternatively, at a venue of your choice.

Our training rooms along with two other venues are also available for organisations to hire out. Please see a copy of our Venues for hire booklet, or call us for details.
