# Door-to-door transport

**If you need help getting around, our DABD Transport department operates a reliable and friendly door-to-door transport service for people of all ages.**

Whether it's a trip to the shops, a doctor's or hospital appointment or a visit to family or friends, we will do our best to accommodate you for either single or return journeys.

Our costs are fair and competitive and based on a journey by journey basis. For an additional cost, we are also able to provide Passenger Assistants on request.

## **Fully-accessible vehicles**

Our fully-accessible tail-lift vehicles can accommodate seated passengers, wheelchair users and people with limited mobility.

They are also available for loan at minimal cost for individuals or for group activities, with your drivers or with ours. Please note if a vehicle is loaned to you without using one of our drivers, your driver must have a current MiDAS training certificate.

## **About Us**

DABD Transport operates fully-accessible vehicles. All of our drivers are courteous, friendly and trained to a high standard, having successfully completed MiDAS training (Minibus Driver Awareness Scheme). Our Passenger Assistants have all completed PATS training (Passenger Assistant Training Scheme). We happily provide information and advice on all local transport services available and the cheapest option for you.
